

A low-angle photograph of a building's exterior. The building features large, dark-colored HVAC units mounted on the roofline. Below the units is a section with horizontal blue siding. In the foreground, a door made of vertical corrugated metal is visible, with a small black handle. A sign with the 'ClimaPro' logo is mounted on the door. The sky is overcast and grey.

Product Portfolio

ClimaPro

OUTDOOR UNITS

PRODUCT RANGE

- Air amount 2 – 60 m^3/s
- Filtration, heaters, coolers
- Plug fans, heat recovery, heat pumps

OUTDOOR UNITS, HEAT RECOVERY:

Supply and exhaust air

- 2RE (NEW 2026)
- 5RE (NEW 2026)
- 10RW
- 15RW (NEW 2026)
- 20RW
- 30RW

OUTDOOR UNITS SUPPLY AIR:

- 10S (Container version)
- 20S
- 40S
- 60S

OUTDOOR UNITS ONE OFF:

- Specification according to customer's requirements

HEAT RECOVERY UNIT

- 2RE
- 5RE
- 10RW
- 15RW
- 20RW
- 30RW

OPTIONS:

- Heating and cooling
- Heat pump solutions
- Humidifier
- Chemical filter
- Bag filters G3,M5,F7,F9
- HEPA filter

FRAME:

- Steel frame, Magnelis, Fe, Stainless steel, Fe-Zn
- Fire rating EI30-EI90, P3-P2
- Mineral wool or polyurethane insulation

ROTOR:

- Sorption, high temperature, painted versions
- Washing units. Pressurized hot/cold water systems and compressed air cleaning systems

CLIMAPRO 2RW – 30RW

FOR INDUSTRY BUILDINGS AND PROCESS VENTILATION

- 2 -30 m³/s
- Prefabricated for easy assembly on site
- Integrated components
- "Plug and play"

CLIMAPRO 2RW – 30RW

FOR INDUSTRY BUILDINGS AND PROCESS VENTILATION

- ClimaPro 10RW
- Prefabricated for easy assembly on site
- Integrated washing unit
- Connection ready

CLIMAPRO 10S – 20S – 40S – 60S

FOR INDUSTRY BUILDINGS AND PROCESS VENTILATION

SUPPLY AIR UNIT

OUTDOOR UNITS ONE OFF

- Specifications according to customer's requirements
- Supply and heat recovery systems
- Capacity of units' 2 – 60 m^3/s

ENGINEERING FEED:

- Pre-engineering
- Structural engineering
- Selection of components
- Cost estimate EPC
- Drawings and IFC-model
- Product specifications

OPTIONS:

- Optional steel frame material
- Frame insulation
- Fire rating
- Heating and cooling
- Heat recovery
- Bag filters
- G3,M5,F7,F9
- HEPA filter
- Chemical filter

CLIMAPRO ONE OFF UNITS

FOR INDUSTRY BUILDINGS AND PROCESS VENTILATION

Example applications:

- Electrical room cooling
- Filtration units for pharmaceutical industry
- Inlet units for Power to X industry
- Applications for data centers
- Ventilation system refits (RTU)
